Dear Jesse Ajala

FEEDBACK ON YOUR ASSIGNMENT

Thank you for submitting your *Portfolio* for assessment.

The result of your assessment is that you have been declared **COMPETENT** against the specific outcomes of the **Unit 110: (1106-93) Assessing Competence (Level 3 IVQ Certificate in Teaching and Assessing Learning-Assessing)**.

Although you have been declared competent we would like to inform you that your Portfolio could be selected for moderation and the above mentioned judgement is not final until internal verification has been completed.

Your portfolio will be sent to the Assessment College who will arrange for external verification to be done by Quality Assurance Body (City and Guilds). The Quality Assurance Body will allow Assessment College to certificate you and upload your information to them for endorsement after a successful verification. Once we have received your Statement of Results you will receive an SMS to collect your Statement of Results, together with your Certificate of Competence at the Assessment College of SA in Midrand.

Please note that this process could take between ten to twelve weeks. You will still need to register as an Assessor *with* your own relevant Quality Assurance Body.

We at the Assessment College of South Africa are confident that by implementing the feedback comments contained in the Assessment Recording Instrument (Evaluation Report) you will continue to develop your skills as a world-class practitioner.

Yours sincerely
